

THE PCF GROUP PROVIDES CUSTOM EXTERIOR ARCHITECTURAL ACCENTS FOR RICHARD M. NIXON LIBRARY IN YORBA LINDA, CA

SAN DIEGO — February 16, 2005 — The PCF Group (PCF) has provided the custom exterior architectural accents for the new Katherine B. Loker Center at the Richard M. Nixon Library and Birthplace in Yorba Linda, CA, according to Scott J. Buckley, vice president of marketing for PCF, San Diego's largest supplier and installer of expanded polystyrene (EPS) foam architectural shapes and accents.

PCF custom-manufactured a myriad of architectural foam details, including eave details, window pediments, building bands, window details, and entry moldings from the company's innovative Lykestone finish. PCF partnered with KHS&S Contractors, which installed the architectural elements.

The Katherine B. Loker Center is a breathtaking replica of the historic White House East Room in Washington, DC. The 47,000-square-foot center expansion of the Nixon Library and Birthplace features the Annenberg Court reception center, a new exhibit gallery, office and storage facilities, and catering kitchens for special events.

The PCF Group is located at 8585 Miramar Place, San Diego 92121. The telephone number is (858) 455-1274 or the company can be reached toll-free at 888-511-FOAM (3626). Visit the PCF Group website at [www.pcfgroup.com](http://www.pcfgroup.com).
