

PACIFIC COAST FOAM PROVIDES DECORATIVE EXTERIOR ARCHITECTURAL ACCENTS FOR WESTFIELD SHOPPING TOWN PLAZA BONITA

SAN DIEGO — Pacific Coast Foam (PCF) has provided the custom exterior architectural accents for Westfield Shoppingtown Plaza Bonita renovation at 3030 Plaza Bonita Road in National City, according to Scott J. Buckley, vice president of sales and marketing for Pacific Coast Foam, San Diego's largest supplier and installer of expanded polystyrene (EPS) foam architectural shapes and accents.

Decorative wave accents manufactured from expanded polystyrene (EPS) foam by Pacific Coast Foam are featured on the new entry pediments at the four newly-remodeled entrances at Plaza Bonita. PCF was retained by Lemon Grove's Ghianni-Larussa Group, which specializes in plastering and EIFS.

PCF and PCF/Install are located at 8585 Miramar Place, San Diego 92121. The telephone number is (858) 455-1274 or the company can be reached toll-free at 888-511-FOAM (3626).
